

Warehouse Person

About the Job

Company: Brennan Industries
Status: Temp to Hire Position
City: Solon, Ohio

Job Description:

Brennan Industries is one of the countries leading manufacturers of hydraulic connectors used for mobile equipment, mining, steel and processing industries. We are a fifty-seven year old company with distributors and strategic business partners in every major city in North America. Our products are globally designed, engineered and manufactured to the highest standard. Competitiveness and quality are coupled with a great sales team to make Brennan the logical choice in our marketplace.

We are the leaders of the industry, expanding our current product offering, developing new exciting product lines and aligning ourselves to open new manufacturing and distribution facilities worldwide.

You will work with a team that ensures customer satisfaction and we currently have warehouse position openings in several cities.

Experience:

- Verifiable picking, packing, shipping & receiving experience
- Fastener Industry experience is preferable
- Process work orders in a fast paced environment without need for supervision
- Use a weigh scale to measure product weight
- Packing and shipping
- Licensed forklift driver a plus

Requirements:

- Must be able to pass a math test requiring addition of fractions and fraction to decimal conversions.
- Convert weight of item to quantity conversion. (ex: 10 fittings weigh one pound, so an order for 300 fittings will weigh 30 pounds)
- Able to lift 40 lbs
- Verifiable job tenure
- Background check and drug testing
- Strong work ethic and high energy level
- Work overtime when required
- 7:00am to 3:30pm Monday – Friday

Brennan Industries offers a competitive salary and a performance bonus. Comprehensive medical, vacation and a 401K plan are also included. We are an Equal Opportunity Employer.

Leading candidates will be contacted for an initial phone interview
